IMPORTANT PRICE CHANGE FOR PACKAGE BULBS - FALL 1948

We feel that the buying Public is becoming more and more "price conscious," and that a change in our packaging is necessary in order to give the Public what they want - at the price they can afford to pay. We are, therefore, changing our Package Bulb prices as follows:

	<u>Per Bag</u>	
	<u>Cost</u>	<u>Retail</u>
<u>Named varieties of Tulips</u>	.22	.39
<u>Mixed Darwin & Cottage Tulips, 10/11 cm.</u>	.29	.49
<u>Mixed Darwin & Cottage Tulips, 11/12 cm.</u>	.52	.89
<u>Named varieties of Daffodils & Narcissus</u>	.29	.49
<u>Mixed Daffodils & Narcissus</u>	.29	.49

In order for us to bring this better price set-up to you, we have lowered the number of Tulips per bag by one Bulb in the Named Varieties only, and, in this way, have made a more attractive retail price possible. There is no change in the number of Bulbs per bag for Mixed Tulips 10/11 and 11/12, named varieties of Daffodils and Mixed Daffodils and Narcissus.

We hope you will find this change will increase your sales as much as we sincerely feel it will. The buying Public is actually getting a better buy for their money. You, Mr. Dealer, are still receiving the same, if not better, margin of profit.

REMEMBER.....Monrad Bulb Co., Inc., is the only packer of Bulbs who -

1. Gives you such a complete selection from which to choose.
2. States the size of Bulb in each package.
3. States the exact number of Bulbs per package, and
4. Always uses first quality Bulbs that will give the "home gardener" complete satisfaction.

Please attach this price change to your price list.
